

COMPANY INTRODUCTION

Dear customers,

It's our honor we could have a chance to introduce our company SEAPLUS MARINETECH Co.,Ltd.

SEAPLUS MARINETECH consists of professional & long experienced staffs with Maritime background. Please take our "Best Service & Good experience"

We have dedicated ourselves to maritime industries to providing such as main engines spare parts, Korean & Japanese made machineries, the needed services for vessels.

We have large amount of diesel engine spare parts in our warehouse and our sales and logistic teams try to do our best to satisfy valued customers through high quality products and on time delivery.

We will give a customer the most competitive price through a direct purchasing from original makers in the world and purchasing cooperation network.

We always provide the best products with reasonable price on the fastest delivery time in world-wide.

We are looking forward to having a good opportunity to co-operate with you and we will do our best to serve you whenever you inquire us.

Thank you for your attention.

Sincerely yours,

J.L.KIM
MANAGING DIRECTOR
